

Northern Colorado Volleyball Camps and Clinics Confirmation and Frequently Asked Questions

Refund Policy: All cancellations are fully refundable (minus online fees) until July 1. After that date there will be no refunds. If there is space in other camps you may transfer your camp registration to another camp or clinic. Please submit your cancellation in writing to lyndsey.oates@unco.edu.

Where and when do I check in?

Check-in for all commuters and one-day clinics is 30 minutes prior to the start of the camp at the front (west) entrance of the Bank of Colorado Arena.

Check-in for **overnight campers** at UNC will be 30-60 minutes prior to the start of the camp on the first day only. On the subsequent days campers may go straight to the gym. Check-in will be at the front (west) entrance to **Butler Hancock (Bank of Colorado Arena) located at 1600 23rd St in Greeley**. There is a driveway on the west side where you can pull up and drop your child off without getting out of the car. Staff will be outside checking in the campers on the driveway.

Where should I park if I am dropping my child off or picking her up for camp?

The closest parking lot is west of Butler Hancock Athletic Complex and just east of Nottingham Football Field (M-Lot). All lots on campus are ticketed lots Mon-Fri 8 am – 5 pm. UNC Parking Services has assured us that they will not ticket during check-in and check-out times for each camp. UNC Volleyball is not responsible for any parking tickets. You can use the passport app (lot 6009) to purchase an hourly or daily permit if you plan to stay outside of the check-in or check-out time.

What do I need to bring to camp?

All campers need to wear athletic shoes and socks, athletic clothing, and knee pads (preferred). Campers should bring their own water bottle. You don't need anything for check-in. Your full payment and waiver signatures were collected online at the time of registration.

If you are staying overnight you need to bring your own bedding, towel and toiletries. The beds are a regular twin. The dorms have A/C. Breakfast, lunch and dinner are provided for overnight campers. You are allowed to bring additional snacks if you'd like.

Can parents watch the camp?

Yes, parents and any other spectators are allowed to watch camp at any time.

When and where do we eat?

Lunch break will be 12-1:30 pm for all 1-day clinics. For 2026 campers bring their own lunch because Holmes Dining Hall is being renovated. For the 3-day camp lunch break is 11:30-1:30 and dinner break is 4:30-6:30 pm. Meals will be served at the University Center, which is a very short walk to the east from the gym. Breakfast for overnight campers will be served in the gym before camp begins. Campers will walk together to/from the gym. The dining hall can accommodate any dietary restrictions.

Which camp/clinic would best fit my child's interests, age and abilities?

Your child will be challenged in every camp. The campers are grouped according to grade and then the staff will make adjustments if we see that a camper needs to move groups to better fit their skill and experience level.

Who can I contact if I have more questions?
